

### ***Cross-border cooperation for clean technologies***

On 25-26 October, the ITEA & ARTEMIS Co-summit 2011 will be held in the Scandic Marina Congress Center in Helsinki, Finland. It will be the 4th edition of the Co-summit, expecting over 600 participants from industry, academia, public authorities and press.

Once again the project exhibitions of ITEA and ARTEMIS will be the pivotal elements of the event with over 75 innovative and market-oriented R&D projects showcasing themselves.

The plenary programme, and parallel sessions will be geared to the Co-summit 2011 theme. This year, the exhibitions will also have a direct link to the theme with a special focus area on clean technologies. Furthermore, the programme includes plenary family sessions of ITEA & ARTEMIS and presentations of the Achievement Award 2011 nominees.

#### **Registration**

Registration for the Co-summit is open to both communities and the public. For more information and registration, please go to our event website: <http://www.itea2.org/cosummit2011>
